**CEDP**  
SKILL INSTITUTE

**Council of Education and Development Programmes (CEDP)** was formed in the year 2010, with a sole objective of providing improved quality of life to individuals and groups through aptitude training and education. We have a state of the art Infrastructure, with Smart Laboratory, Practical Labs for each department be it Kitchen, Bar, Restaurant, Nursing, Automobile and everything what a student require to practice with their curriculum.

Since then, the organization has strived to provide the most relevant training solutions to not only the metro and the mini-metro cities of the country, but to the most remote geographies so that the student communities at large can benefit from the knowledge gained from the education provided and enhance their employability and therefore, employment opportunities.

Almost all the courses are either associated with guaranteed internship and/or 100% placement or placement assistance. CEDP's blended methodology of classroom training combined with Live On Job Training is the best method of training and orienting students for a bright career ahead.

Training, Industry interface, Certification & Employment is the core work cycle at CEDP Skill Institute.

### **Our Vision**

**"To be a world-class skill development based institute contributing towards the national dream of skilled India".**
